

Northport Bay Yacht Club

Captain's note from the race committee: Ahoy,

Racers please email (windwardes@gmail.com), text or call me (269-207-1953) of your intent to race this season so that Glenn can have the scoring ready.

Dues reminder:

\$25 for renewal. \$50 for new membership (this includes a club burgee).

The race dues are \$125 as the cost of flags are much more than last year.

Mail your dues to:

- Thank you in advance to Glenn for setting the buoys and sending the coordinates.
- Collins Series:
- It's a series within the Applebee series. The intent is to keep as many racers attending as many races as possible. There are racers that can't make at least 9 Applebee races thus are not able to place in the top 3 and many get discouraged from competing. The Collins is 6 declared races within the Applebee series. Racers will still score in the Applebee and the Collins. One must declare prior to race start that the race is to be a Collins series.
- Applebee is planned for 11 races with 2 throw-outs. Collins is 6 races with 1 throw-out.
- It is planned that the even race dates conduct the traditional all boats start at once. On the odd race dates, we'll conduct the pursuit style race start. Weather conditions will dictate changes. It is hoped to give enough notice for racers and their crew to adjust.

If you'd like to be a crew member on a boat or enter your sailboat into the races, we welcome your interest.

June 29th. It was planned to have a pig roast sponsored by Doug Kilgren; however, we are unsuccessful in securing a vendor to cook the pig. We'll try for another date TBD.

So, come to the pavilion on the 29th, bring your own food and beverage. If you need to use the grill, we'll have it ready to be used. The club has enough setting utensils for those in need. We plan to invite other boaters at the marina to join us for fellowship.

It is our desire that all of us enjoy the wonderful gifts that Northport Bay has to offer.
